## You will need:

- Designer Series Paper: (2) pieces, each 12" x 6"
- Coordinating Card Bases: (11) 8 1/2" x 5 1/2", score and fold at 4 1/4"
- Coordinating Layers: (4) 5" x 3 1/4"
- Optional Inside Layers: (4) 2 3/4" x 5 1/4" and (7) 4" x 5 1/4"
- Cardstock for greetings
- Optional ribbon or embellishments

## Cut Your Designer Series Paper

- Cut both pieces of 12" x 6" pieces per the diagrams. If you are careful, you can stack and cut them at one time
- Start by cutting into the 3 pieces
- Then take each piece and cut per the diagram. As you cut, keep the "sizes" together to make it easier to assemble the cards
